John Grant

The 2012 Wildcat is dedicated to Dr. John Grant Jr., who retired from Pearl River Community College in 2011 as Vice President for Instruction.

Dr. Grant's 43-year career in education included 32 years at PRCC as a teacher and administrator.

"It's a good place to work, a good place to be," he said about the college.

Dr. Grant was just 7 years old in 1953 when he first came to Pearl River - the son of a newly-hired science teacher. The family lived in an apartment in Bilbo Hall and, for a boy in second grade, the college and its farm were a playground.

Bilbo Hall, built to house married veterans and their families after World War II, served as the Grants home until 1961 when they moved into the newly-built Lamar Hall dormitory.

"My father was the dorm monitor," Dr. Grant said. "That convinced him he needed to build a house and move off campus."

2012 Wildcat Dedication

The family moved in 1962 when Dr. Grant was a student at Poplarville High School. As a member of the Hornet football team, he played games on Pearl River's old football field.

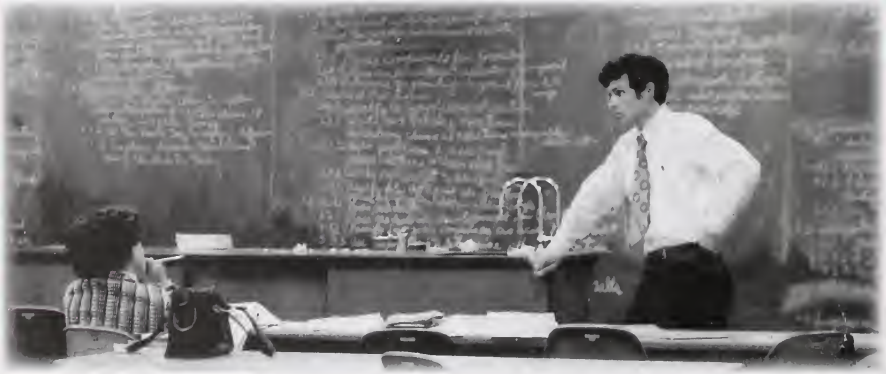
Dr. Grant graduated from Poplarville High in 1964, enjoyed a one-week break from school and enrolled for the summer semester at Pearl River.

He took an English class and a history course in the mornings and spent the afternoons pushing a big-wheel mower as a student worker. Dr. Grant lived at home while attending Pearl River but emersed himself in campus life.

"The campus was a lot smaller than it is now," he said. "I won't say everybody knew everybody but if you worked at it, you could. It was just more intimate.

"The students knew all the faculty. Most of the faculty lived on campus. If they didn't live on campus, they lived nearby."

He tooks pictures for the yearbook and the newspaper with a Speed Graphic sheet film camera, develop-



ing the film and printing the photos in a closet under a Moody Hall staircase. He was in the French Club with Jimmy Buffet and sang bass in the Pearl River Singers choir.

Dr. Grant graduated from Pearl River Junior College in 1966 and headed to the University of Mississippi, graduating with a bachelor's degree in 1968. He started his teaching career at Harrison Central High School where he met another young teacher, William Lewis.

"Oddly enough, I did not really consider teaching until I was in college," he said. "I did not major in education. I have a physics degree. I did not really intend to teach.

"That first year of teaching is just hard for anybody. I was just sort of winging it. It was in a 9th grade algebra class in March of that year when it dawned on me that 'I kind of like this, I might want to do it for awhile'."

After three years at Harrison Central, Dr. Grant came back to Poplarville to teach high school chemistry, physics and physical science. Eight years later, Dr. Jim Barnes recruited him to join the Pearl River science and math department faculty. He initially taught calculus, physics and a beginning physical science course and eventually became department chairman.

"You talk about teachers influencing their students, inspiring their students," Dr. Grant said. "It works the other way around, too. Anybody who's taught very long will tell you there were times that if it hadn't been for their students, they might not still be in it."

2012 Wildcat Dedication

It wasn't always the smartest, straight-A students who inspired him; many times, it was the struggling student who pulled it together to succeed.

"One of the true joys of a long teaching career is remembering many students who were such a joy to teach," he wrote in a farewell article for the May 2011 Drawl campus newspaper. "Again, many of them weren't 'A' students; they were just wonderful people and a delight to be around in the classroom and in the laboratory."

In addition to his teaching duties, Dr. Grant served the college as the football announcer and served Poplarville as a member of the Board of Aldermen and an active member of the Rotary Club of Poplarville.

In 2000, fellow teachers encouraged Dr. Grant to apply for the position of Dean of Academic Affairs. PRCC's new president, Dr. William Lewis, selected his fellow rookie teacher from the days at Harrison Central for the job. An administrative reorganization gave him the title of Vice President for Instruction and added career, technical and workforce programs to his academic responsibilities.

Dr. Grant enjoyed the new challenge but acknowledges missing some of the joys of teaching.

"I missed getting to know students and being involved in their progression," he said. "But, there were some things about teaching that frankly, 32 years was enough. I missed helping people learn. Teaching's fun. A lot of things teachers have to do aren't fun. The opportunity to be involved in the college on a broader scale was a real exciting opportunity."

As vice president, Dr. Grant gave up his sports announcing duties but the experience came in handy each spring as he announced the name of every student receiving a Pearl River Community College diploma at graduation.

Dr. Grant considered retirement several times before making the move in June 2011.

"I've got a lot of remodeling projects underway here at the house," he said. "I've gotten back into gardening in a big way and I spend a lot of time outdoors. I don't know how I had time to work."

He is serving his fifth term on the Board of Aldermen and has increased his involvement at First Baptist Church.

Dr. Grant and his wife, the former Gwen Gandy, are the parents of two children - Brennan, grounds supervisor at PRCC, and Mary Jessica, a junior high school teacher in Auburn, Ala.

Looking back at his career, Dr. Grant doesn't consider it unusual that he spent 32 years of it at Pearl River.

"I wasn't surprised that I did because it was not an uncommon thing to do," he said. "People land here and they don't have any reason to want to leave. It's a good place to work, a good place to be."

MACJC STATE CHAMPIONS
1961, 2004 NJCAA NATIONAL CHAMPIONS

Hatten era soars into 10th year

■ Wildcat head coach hopes for return to the top of the MACJC football heap

PEARL RIVER head coach Tim Hatten's talents have propelled the Wildcat football program to unprecedented heights since his arrival on campus in 2002.

After leading PRCC to its first MACJC state title since 1976 in 2003, he and his impressive staff of assistants reeled off four consecutive titles before missing the post season in 2007. The River retrounded in 2008 with an 8-3 mark and made it all the way to the state championship battle only to be defeated by arch-rival Mississippi Gulf Coast 52-7.

The River finished No. 18 in the final 2009 NJCAA football poll and entered the 2010 campaign at No. 13. A year ago the Wildcats received votes in the final poll ballooning.

The 2004 state title was complimented with an NJCAA national championship via a 35-14 victory over Butler (Kan.) CC in the Dalton Defenders Bowl in Coffeyville, Kan., ending the year with a perfect 12-0 mark.

In 2005's Hurricane Katrina-shortened season, Pearl River trimmed MGCCC 25-19 for the coveted title; avenging its 55-47 regular-season loss to the Bulldogs that snapped the Wildcats' record 23-game winning streak.

In 2006, PRCC thumped Copiah-Lincoln 21-20 for its unprecedented 19th state championship and, again, avenged their only loss of the regular season when then-No. 1-ranked PRCC fell to the Wolves 31-21 in Wesson. The Pilgrim's Pride Bowl in Mt. Pleasant, Tex., was waiting in the wings against No. 1-ranked Blinn (Tex.) College in the NJCAA national championship bout, but The River fell 19-6 and wound up finishing No. 4 in the final poll.

All told, Hatten is 73-19 in his first nine seasons in Poplarville — the best coaching debut record in the storied history of Wildcat football.

Legendary head coach Dobie Holden was 68-18-4 in his first nine seasons (1948-56), while his successor, John Russell, was 55-14-1 during his seven-year run from 1967-72.

The 46-year-old Sumrall native was a two-year letter winner with the Wildcats in the 1983 and 1984 seasons. Hatten tranferred to the University of Southern Mississippi where he graduated in 1987. He arrived on the PRCC campus via Haines City (Fla.) High where he served as head football coach the last nine years and posted an impressive 75-29 overall mark.

Hatten succeeded Tucker Peavey, who resigned his position as head football coach in June, 2002, before ever coaching a game to accept the athletic director and head football coaching position at alma mater Brookhaven High School. He was hired in January, 2002, to succeed Texas native Scott Maxfield, who guided the Wildcats to a 7-2 mark and their first winning season since 1995 in his first and only year at the PRCC helm.

Maxfield resigned following his inaugural season to accept the head coaching position at Blinn (Tex.) College and has since moved on to the Division II senior college ranks at Henderson State University in Arkadelphia, Ark.

Hatten spent 14 years at Haines City, a 5A school with an enrollment of some 2,000.

From 1987-91, he was an assistant football and baseball coach at HCHS, while also teaching science. From 1991-93, he was athletic director and assistant head football coach, while continuing classroom teaching.

The 1991 Haines City team finished 11-3 and runnerup for the state championship. From 1993 until his arrival here in Poplarville, Hatten was head football and golf coach, as well as an administrative assistant in charge of discipline.

In 1997, he was selected as the Florida Athletics Coaches Association District 11 *'Coach of the Year'* and received the same honor in 1999 after leading the team to a 12-2 record and the state semi-finals.

Hatten prepped at Sumrall High and played under coaches Keith Waters and Ricky Graves. After graduation, he walked on at PRCC and earned a scholarship as a wide receiver. His first season was under J.C. Arban, while his second was under Mike Nelson. He went on to earn a bachelor of science degree in athletic administration at USM with an emphasis in science education.

Hatten and wife Cindy are the parents of three children: daughter Allison, 19, and sons Eli, 12, and Ian, eight. His mother, Mildred Ann, still resides in Sumrall; while his father, Robert, passed away eight years ago.

HATTEN BOASTS SOLID STAFF OF ASSISTANTS

■ Unit remains virtually intact from 2010

PEARL RIVER HEAD COACH TIM HATTEN'S staff of assistant coaches for 2011 remains virtually intact from a year ago with the exception of a new defensive coordinator and the return of a former Wildcat as running backs coach.

"Personally, I feel our assistant coaches are as good as any in the entire league," Hatten said. "I couldn't ask for a more dedicated and hard working group of people."

Doug Nowell enters his first year as the Wildcats' DC, replacing Casey Cain who resigned last spring after three years on the job to return to the prep ranks. Former Wildcat standout Drew Causey who will coach the offensive line for the fourth straight year, while long-time defensive line coach John Creech returns for his ninth season. Wide receivers coach Leroy Frederick is back for his fifth year and former River DB Ervin Jackson returns for his fourth season as a secondary and special teams assistant.

Former PRCC running back Johnny Tart returns to the Wildcat staff after a four-year hiatus, while his younger brother, Melvin, enters his seventh year as a volunteer coach specializing in wide receivers. Former Poplarville High School assistant coaches Troy Davis and Marcus Jordan are on board for a third consecutive year. Jordan, now a full-time assistant who works in the college's Information Technology Department, will coordinate the team's video taping, while Davis, who previously served as PHS's defensive coordinator, coaches linebackers.

PRCC sophomore Gage Whitten is in his second season as student assistant coach, while River alumnus and current University of Southern Mississippi junior Frankie Smith is also a student assistant coach.

Hatten also serves as offensive coordinator, quarterbacks coach, and wide receivers coach.

Here (in alphabetical order) are brief biographical capsules of each:

DREW CAUSEY

• OFFENSIVE LINE | SPECIAL TEAMS

■ PEARL RIVER ALUMNUS DREW CAUSEY ENTERS his fourth season as the Wildcats' offensive line coach. Causey, who played under now-Oak Grove head coach Nevil Barr at Petal High, replaced long-time O-line coach Buddy Stephens, who resigned the post after the 2007 season to accept the head coaching job at East Mississippi Community College. In 2000, Causey signed on as an offensive lineman at PRCC under the late head coach Keith Daniels and went on to play the 2001 season under then-head coach Scott Maxfield after Daniels untimely death midway into the 2000 season. He transferred to the University of North Alabama where the Lions won the Gulf South Conference title in 2003 with a 13-1 record. He served as a graduate assistant coach at Southern Miss the 2004 and 2005 seasons under former Golden Eagle head coach Jeff Bower, then joined Maxfield, now head coach Henderson State University, as running backs coach in 2006 and 2007. HSU sported 8-3 and 7-3 marks the two years Causey was on board, marking the first time the school consecutive back-to-back winning seasons since the early 1990s. The Reddies finished tied for third in the GSC both years. Causey and wife Jennifer are the parents of a daughter, Hailey, and a son, Chandler.

FMHS sported a 52-6 record in Creech's four seasons there and was Florida's state runner-up three straight years. In addition, under Creech's guidance, Fort Meade led the county in defense four straight seasons and averaged nine shutouts a year. He founded the weightlifting program at Fort Meade and averaged nine state qualifiers and one state champion each of his four years there. In 2003, FMHS took first place in the Frostproof Invitational Weightlifting Championships and was runner up in the Polk County competition. Prior to arriving at Fort Meade, Creech spent the 1995 and 1996 seasons at Bartow High School in Bartow, Fla., serving as strength and defensive line coach. Bartow won the state Class 4A title in 1996, defeating the then-No. 1 team in the nation. BHS's secondary set a county record for interceptions with 12 picks. In 1995, Creech's weightlifting team produced a state champion. He has participated in collegiate football

camps at Auburn, Alabama, Florida, South Florida, and Central Florida, including the renowned Down and Dirty Lineman Camp and the Bishop Dullaghan Skill Camp. TROY DAVIS

• OFFENSIVE ASSISTANT

■ TROY DAVIS ENTERS HIS THIRD SEASON AT PRCC after spending the previous seven years in the high school ranks. He will coach on the offensive side in 2011. After graduating from Lumberton High in 1988, he served eight-plus years in the U.S. Army where he rose to the rank of sergeant, but his military service ended when he opted to continue his education at the University of Southern Mississippi. While at USM, he served as a volunteer assistant coach at his prep alma mater the 1997-98 school year, then served on a volunteer coaching basis at USM under then-head coach Jeff Bower during the 1998-99 school year. After a brief return to the working world, he transferred to Mississippi Valley State and was an assistant coach for the Delta Devils gridiron squad in 2002-2003. He earned his bachelor's degree from Valley in 2003 and spent the next three years at three different schools in the Delta, including Carroll Academy (2003), North Sunflower Academy (2004), and Greenwood High (2005). In 2006, Davis returned to south Mississippi when he hired on at Poplarville High as defensive backs coach and rose to the defensive coordinator's position in 2007 under then-head coach Lance Mancuso. In 2008, Davis served as DC under current PHS head coach Chris Teal. He currently is an instructor at Poplarville Middle School. He and his wife, Amy, are the parents of two children, Guy, a Mississippi State student, and Micah, a Poplarville High sophomore.

LEROY FREDERICK

• WIDE RECEIVERS / SPECIAL TEAMS

■ LEROY FREDERICK ENTERS HIS FIFTH SEASON as the PRCC's wide receivers coach and special teams co-ordinator. For the first two years, he coached wide receivers, but moved to the defensive side in 2009 coaching the secondary before moving back to the WR post in 2010. After a playing career that has seen stops in the Atlantic Coast Conference, NCAA Division II, and Canadian and Arena Football Leagues, he begins his 13th year as a coach in the NJCAA. Prior to arriving at PRCC in 2007, he spent six years at Hutchinson CC (Kan.) and also boasts a three-year stint at Fort Scott CC (Kan.) prior to that. A native of Mulberry, Fla., he originally signed with Division II Arkansas Tech, but transferred to Florida State for his junior and senior seasons. After completing his college career, he played a year with the Winnipeg Blue Bombers in the CFL, then went on to the AFL where he played for Tampa Bay and expansion team Louisville as a WR and DB. Frederick was named AFL 'Player of the Week' four times in his three years in the league and was the first player to score a touchdown in Louisville's history and holds a team record with four touchdowns in one game. He and wife Pam have a daughter Angel. He also is the father of a son, Alex.

ERVIN JACKSON

• DEFENSIVE BACKS / SPECIAL TEAMS ASSISTANT

■ JACKSON ENTERS HIS FOURTH SEASON AS a defensive backs and special teams assistant. Jackson was a defensive back and special teams standout on the Wildcats' 2004 NJCAA national championship team and 2003 and 2004 state title squads. He then signed with head coach Frank Solich's University of Ohio Bobcats, but injuries took their toll on his senior college playing career. A torn ACL resulted in a redshirt year in 2005, before a severely pulled ham-string limited his playing time the 2006 and 2007 seasons. The Bobcats won the MAC East Division in 2006 with an 8-3 record and played in the GMAC Bowl in Mobile, Ala., but were defeated by Southern Mississippi. Jackson earned All-MACJC honorable mention accolades his sophomore season at The River. A 2003 graduate from Hancock County High, Jackson was an All-District 3-5A running back-defensive back his junior and senior years, and earned All-District defensive honors as a sophomore under then-HCHS head coach Rocky Gaudin, who is a former Wildcat player. He was an All-Conference kick returner as a sophomore and also excelled in track and field in the 200 meters, reaching the State quarterfinals as a sophomore and South State as a junior and senior. JACK BYRD AND PAUL MARtin are coaches of Pearl River Community College Wildcat and Lady Wildcat soccer teams for the 2011 season.

Byrd, who is entering his fourth year with the program, welcomes veteran coach Martin who is concentrating on the men's team with Byrd heading the women's.

The last time PRCC saw a co-coaching set up was in its inaugural season in 1999 when Adam Breerwood, now the college's Vice President for the Poplarville and Hancock County campuses, was the women's head coach and Chris D'Ambrosio was the men's. Breerwood assumed both positions starting the 2000 season.

Also assisting with both programs is former Mississippi Gulf Coast Community College standout and current University of Southern Mississippi student Gordon Waters.

Byrd, who served as head coach for both squads in 2009, served as then-head coach Josh Hess' assistant in 2007 before leaving the post to accept a position with the PRCC Development Foundation in 2008.

After Hess resigned the head coaching position following the 2008 season, Byrd was named to the post in the spring of 2009.

Byrd says the decision for the new co-coaching scenario was an easy one —particularly considering Martin's expertise on the soccer field.

"Paul is as good as any soccer coach in the entire state," he said. "I'll continue to assist him with the men's team as he will assist me with the women's. We're just glad to have him on board. He's a huge asset to our program."

Said PRCC athletic director Richard Mathis, "We're very fortunate to get a coach of Paul's experience and talent. He is definitely a plus for our soccer program and we expect great things from him."

In Byrd's first season as head coach, he guided the Lady Wildcat squad to its second-ever MACJC state championship after winning the South Division title with a perfect perfect 10-0 league record.

PRCC's women finished the 2008 season at 18-1-1 after finishing third in the Region 23 Tournament.

Byrd is a 1999 graduate of Picayune High School where he was a standout athlete as a three-year letterman on the Maroon Tide soccer team and a place kicker on the football team. His gridiron talents earned him a scholarship to PRCC under then-head coach Keith Daniels, who died three games into the 2000 season. Byrd kicked and punted for the Wildcats. His last-second, 30-yard field goal in early October of 2000 lifted Pearl River to a 20-17 victory over nationally-ranked Southwest Mississippi. Daniels, who had coached the Wildcat squad since the 1995 season, had died four days earlier of a brain hemmorrhage.

Ouachita Baptist University in Arkadelphia, Ark., came calling after his River football stint and he lettered in both of his seasons with the Tigers.

It was during his tenure at OBU, that he became reacquainted with his first love — soccer — as he served as athletic director for the Booneville (Ark.) Boys & Girls Club in 2004 and 2005 and as commissioner of the South Logan County Soccer Clubs. He coached 17-year-old and 19-year-old select programs with South Logan.

Byrd graduated from Ouachita in 2004 with a bachelor of arts degree in political science with minors in sociology and physical education.

While place kicking with the Tiger squad, he was named the Gulf South Conference's 'Player of the Week' on six different occasions.

At Picayune High, Byrd was named first-team All-State by The Clarion-

Ledger (Jackson) for the 1998 season and played in the Bernard Blackwell All-Star Classic in the summer of 1999.

From there, Byrd headed to The River where he was a two-year letterman and earned second-team All-MACJC honors as a sophomore, as well as earning a spot on the South Division squad in the 2001 MACJC All-Star Classic played annually at Northwest Mississippi CC in Booneville.

Byrd's father, Richard, retired from Pearl River last spring after a lengthy stint as an automotive mechanics instructor.

Martin was officially hired by the PRCC Board of Trustees July 11.

His soccer pedigree is vast as a player and as a coach, beginning his playing career in youth leagues in his hometown of Pascagoula. He was a member of the Pascagoula High School 1983 state championship team his senior year. In addition, he was a member of the Singing River Soccer Club's state champion Blackhawk squads in 1982 and 1984.

Martin was assistant director of radiology at George Regional Hospital in Lucedale for 20 years (1991-2011) prior to accepting the PRCC position, but was always involved in youth and high school soccer programs.

He started the first-ever youth team in George County in 1991 and assisting in establishing George County High School's first women's and men's teams in 1993. He coached the GCHS squads from 1993-2002, leading his 2001 girls' team to the state finals. Martin was named girls' 'Coach of the Year' by The Sun Herald (Biloxi) newspaper that season.

In addition, he was named the Mississippi Soccer Association's 1999 girls' 'Coach of the Year' after leading his under-16-years-old girls club team to a state title.

Martin has been involved in the Mississippi Olympic Development Program for eight years and currently serves as a scout for the southern portion of the state.

He played competitive soccer for 20 years in the United States and Mexico after his high school career.

Martin has been married to his wife, Irma, for 23 years. They are the parents of two sons and a daughter — Kenneth, age 23, and Jacob, age 17; and Sophia, age 19.

Waters, who was a standout goalkeeper for Coach Barry Thrash's MGCCC Bulldog squad, will be coaching keepers for both the women's and men's teams. He is a graduate of Ocean Springs High School and Gulf Coast in 2010.

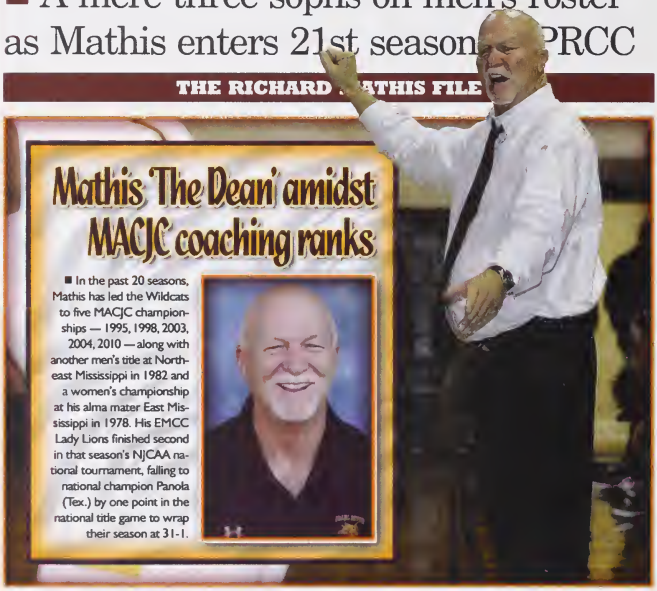
Inexperienced Wildcats could have big impact on MACJC hoops derby

■ A mere three sophs on men's roster as Mathis enters 21st season at PRCC

THE RICHARD MATHIS FILE



Mathis 'The Dean' amidst MACJC coaching ranks

■ In the past 20 seasons, Mathis has led the Wildcats to five MACJC championships — 1995, 1998, 2003, 2004, 2010 — along with another men's title at Northeast Mississippi in 1982 and a women's championship at his alma mater East Mississippi in 1978. His EMCC Lady Lions finished second in that season's NJCAA national tournament, falling to national champion Panola (Tex.) by one point in the national title game to wrap their season at 31-1.

COACHING CAREER STOPS

■ Mississippi State University (assistant coach), Jacksonville State University (Ala.), Northeast Mississippi CC, East Mississippi CC (head coach), University of Southern Mississippi (graduate assistant).

WILDCAT TRADITION

■ Led PRCC to MACJC state titles in 1995 (first since 1965), 1998, 2003, 2004, and 2010; a South Division title and runner-up in state tournament in 1997 with The River finishing No. 2 in Region 23 in 1998 and 2006.

COACHING HONORS

■ NJCAA's Region 7 (now Region 23) 'Coach of the Year' (1978-79), Gulf South Conference 'Coach of the Year' (1988), Mississippi Association of Coaches 'Men's Coach of the Year' the 1983, 1995, and 2010 seasons.

COACHING RECORD

■ **35 SEASONS AS A HEAD COACH:** 705-299 overall record (including high school), 369-195 at Pearl River Community College), 632-279 at junior college and university levels.

RICHARD MATHIS ENTERS his 21st campaign as head coach of Pearl River Community College Wildcat basketball with a squad that returns only one player from last year's MACJC state runner up team.

The Wildcats went 23-5 overall a year ago and made it to the MACJC state championship game only to fall to Mississippi Gulf Coast 64-61.

Mathis, who has won five state championships at The River, including two other titles at Northeast Mississippi (men) and East Mississippi (women), likes what he sees in his new team.

"I've been very pleased with our work ethic and practice habits thus far," he said. "Our most glaring weakness at this point is our shooting, but that's something we've really been working on in practice.

"Our second-biggest weakness if our rebounding," he added. "But with only three sophomores and only one returning from last year's team, we're mighty, mighty young. It's a huge step from the high school ranks to junior college and our younger guys need plenty of practice and action under fire to develop."

Lady Wildcat talent pool at all-time high for Bush

■ With a talented sophomore-ladened line-up, PRCC may make big [illegible]ement

TOBY BUSH HAS HIGH EXpectations when his fourth edition of Pearl River Community College Lady Wildcat basketball tip off their 2011-2012 season.

A year ago, Bush guided the Lady Wildcats to their first post-season berth since he arrived on the Poplarville campus for the 2008-2009 season, as well as wrapping up with their first winning season — 11-10 — after ending the year with a 79-48 loss to Itawamba in the MACJC State Tournament.

Bush's forecast is a bright one, as he boasts six players of last year's top nine returning to the line up, including four starters in 6-foot-1 center Francheska Bowman out of Choctaw High in Fort Walton Beach, Fla.; guard Quentessa Bullock of East Marion High, point guard Toy Johnson of Pascagoula High, and forward Branita Malone, Bowman's prep teammate.

"Plus (forward) Alayna Bridges (Oak Grove High School) is back. She saw some spot starting duty last season, but was a big contributor," Bush said. "Needless to say, a lack of experience is not excuse for us this go around."

Bowman was in the top five nationally in blocked shots last season as a freshman, finishing with 100-plus, and was the Lady Wildcats leading scorer averaging 8.5 points per game.

Malone was the team's top rebounder, averaging eight per game and was just behind Bowman in scoring with an eight-point per game average.

Two other sophomore transfers are on the squad, including Kyiana Allen from Southern Shreveport Community College and Shana Ward from MACJC South Division rival East Central Community College. Bush expects great things from the duo and says both standouts will be pushing for starting time on the wing.

Bush touted freshman guard Kalisha Washington out of Murrah High School in Jackson.

"She (Washington) is a very talented player and could develop into one of the top players in the league," he said.

Other freshmen include 6-foot center Daiquiri Raine of Poplarville High, who will be pushing Bowman for playing time, as well as Lolecia Richardson out of Provine High in Jackson and Shanta' Echols of Sumrall High who both boast "tremendous athletic ability at the guard or post spots."

Bush's inaugural unit, which was hampered by mid-season academic dismissals, finished with a 2-22 overall mark, while his second saw some slight progress as his unit improved to 7-16, but managed only 1-11 mark in the rough and tough MACJC South Division.

"This year, we've got a lot of hard workers... that is key," Bush said. "They show up every day and work their tails off trying to get better."

Bush, who was hired in May 2008 after former Lady Wildcat mentor Ed Walley resigned the post after eight seasons on the job, previously was head coach at Neosho County Community College in Chanute, Kan., in the touted Jayhawk Conference in 2007-2009. But he's no stranger to to the MACJC, as he played at Northwest Mississippi CC under former head coach Mark Dukes the 1993-94 and 1994-95 seasons and served as an assistant at East Central.

Also on board with Bush will be fourth-year asisstant coach Zaria Williams, who was a graduate assistant at Mercer College, when Bush was an assistant coach at the school located in Macon, Ga..

"Zaria's is just great help," he said. "We've worked together for a long time. She's proven she can do a tremendous job for us."

Bush was born in Laurel, but raised in Memphis, Tenn., where he graduated from Bartlett High School in 1993 and went on to earn his bachelor of science degree in physical education in 1999 and his master's degree in sports and leisure commerce in 2006 from the University of Memphis following his two-year Juco stint at Northwest Mississippi in Senatobia.

Bush served as head student manager for the UM Tiger squad from 1995 until 2001, then served as assistant women's coach and recruiting coordinator at East Central CC in Decatur the 2001-2002 season.

From there, he served as assistant women's coach at Mercer University from 2002 until 2007 before taking over the head coaching reins at Neosho.

Walley's 2002-2003 Lady Wildcat squad won the Region 23 championship and a berth in the NJCAA National Tournament in Salina, Kan.

ZARIA WILLIAMS
WOMEN'S ASSISTANT

CHRIS ONEY IS THE NEWEST MEMBER of Pearl River Community College's staff of basketball assistant coaches, joining Jason Francis who enters his seventh season with the Wildcat squad and Zaria Williams who eyes her fourth year with the Lady Wildcat program.

Oney arrives at The River via Grambling State University in Grambling, La., where he served as recruiting and scheduling and travel coordinator for the past year. He also boasts assistant collegiate coaching stints at Louisiana-Monroe, Nicholls State (La.), and Ole Miss.

"We're fortunate to get somebody as qualified as Chris," Mathis said. "He has a long list of accomplishments as a player and a coach and will do an excellent job for us."

Oney is a 1994 graduate of McCall High in Tallulah, La., where he earned district 'Most Valuable Player' honors on the hard court his sophomore, junior, and senior seasons.

After his graduation, he spent one year at Texas A&M before transferring to Ole Miss where he played from 1995 through 1998 under head coach Rob Evans. While on the Rebel squad, Ole Miss grabbed a No. 13 national ranking and earned three straight berths in the NCAA Tournament. Oney earned his bachelor of arts degree from Ole Miss in 1998 and his master's of arts-education from Louisiana College in 2008.

He served as a graduate assistant under Evans at Ole Miss (1999-2000) before moving on to Nicholls State as a full-time assistant as recruiting coordinator, academic coordinator, and camp coordinator for the 2000-2001 season. From 2001 through 2004, he was an assistant coach at Louisiana-Monroe in Monroe, La., where he was recruiting coordinator and academic counselor. Louisiana-Monroe earned berths in the Southland Conference Tournament all four seasons.

Oney was head coach at Carroll County High School in Monroe from 2005 through 2008. His 2007-2008 squad was the District 2-4A champions and finished the season at 36-5 and ranked No. 38 by USA Today. Oney was district 'Coach of the Year' that season. All told, he was 60-15 during his Carroll County stint.

From 2008 through 2010, Oney was head coach at Grambling Lab High School, boasting a two-year record of 43-12. His men's team was district champions in 2008.

Last year at Grambling State, the men's team made it to the SWAC Tournament finals for the first time in school history.

Oney and his wife, Christan, are the parents of a four-year-old daughter, Camryn.

Francis moved from his native Pocatello, Idaho, to Bay St. Louis in 1995 and is a graduate of Hancock County High. He is a graduate of the University of Southern Mississippi where he earned his bachelor of science degree in coaching and sports administration.

He is married to the former Vicki Faye of Bay St. Louis and they are the parents of three children, Jolie, Maddux, and Patton.

Williams was a graduate assistant at Mercer College in Macon, Ga., when Bush was an assistant coach there.

A Destin, Fla., native, she was a standout shooting guard at Okaloosa-Walton CC (Fla.), from 1999 through 2001; then transferred to West Florida where she played from 2002 until 2004 and earned bachelor of science degree in physical education and exercise science.

From there, she did her graduate assistant stint at Mercer (2004-2006) where she earned her master's degree in holistic education. She returned to West Florida as a part-time assistant coach for one season, then served the 2007-2008 season at Lynn University (Fla.), as recruiting coordinator.

McMahon, an Oak Grove native ....o sported a 154-109 overall mark during his five-year stint at the River helm, resigned the post
to accept an assistant coaching position at Nicholls State University in Thibodeaux, La.

"I've got some mighty big shoes to fill," said Hoffpauir. "Coach Mac did a fine job during his time here and I want to pick up where he left off. Pearl River has a rich baseball tradition and my goal is for that tradition to continue."

Hoffpauir is a 2001 graduate of the University of Southern Mississippi where he earned a master's degree in coaching and sports administration. He was hired as a McMahon assistant prior to the 2008 season.

Prior to arriving at PRCC, he spent a year at fellow MACJC school Holmes Community College where he served as the recruiting coordinator and hitting coach. In his only season in Goodman, the Bulldog squad boasted a team batting average over .300, while stealing an impressive 137 bases.

At Northwestern he earned All-Southland Conference honors in 1997 and 1998 before going through an injury-plagued season in 1999. At USM, he was named All-Conference-USA in 2000.

He is married to the former Khara Maddix. They are the parents of a son, Zach, age three, and a daughter, Zoey, who was born Dec. 14.

ZACK ZULLI
■ Assistant Coach

ZACK ZULLI RETURNS TO the Wildcat squad as an assistant coach after previously serving as a volunteer assistant at Pearl River during the 2008 season.

Zulli is entering his sixth season as a coach. Last year, he was an assistant at the University of West Alabama where he was in charge of infielders and assisted with the offense and recruiting.

UWA was ranked as high as No. 15 nationally and finished the 2010 season at 26-17. In addition, West Alabama infielders finished sixth nationally in double plays.

In 2009, Zulli served as head coach at Central Catholic High School in Morgan City, La., and was an assistant at St. Stanislaus College in Bay St. Louis from 2006-2007.

A 2002 graduate of Hancock County High where he was a standout performer on the diamond, he broke the school's batting average record and earned a scholarship to Middle Georgia College. After MGC, he went on to earn his bachelor's degree in social science from Tulane University and is currently in graduate school at UWA.

Zulli will be working with hitters and infielders and will serve as recruiting coordinator. He is engaged to Danielle Phillips and resides in Poplarville.

KYLE LINDSEY
■ Assistant Coach

KYLE LINDSEY IS A RENOWNED figure in Wildcat baseball circles.

The native of Purvis was a standout righthanded pitching ace for the 2007-2008 Pearl River squads where he earned first-team NJCAA All-American honors as a sophomore before continuing his collegiate career at the University of Southern Mississippi.

A 2010 USM graduate, Lindsey served as pitching coach at his alma mater Purvis High School under head coach Tony Farlow. He was a former standout shortstop-pitcher for Farlow's Tornadoes and was instrumental in the Tornadoes winning consecutive MHSAA Class 3A state championships in 2004 and 2005.

Lindsey headed to PRCC after his high school graduation. His sophomore season, the Wildcats won the MACJC South Division title and finished second in the state and Region 23 tournaments.

Besides his All-American accolades, Lindsey was also the national Division II strikeout leader his sophomore season.

After signing on with then-head coach Corky Palmer's Southern Miss squad, he was an integral part of the Golden Eagle team earning a berth in the 2009 College World Series. He played his senior season at USM under current head coach Scott Berry.

Lindsey will be working with Wildcat pitchers and assist with recruiting.

GATLIN STEELMAN
■ Student Assistant Coach

SECOND-YEAR STUDENT ASsistant coach Gatlin Steelman, a 2009 Purvis High School graduate, is a sophomore at Pearl River.

He played four seasons under Purvis High head coach Tony Farlow as an infielder. The Tornadoes squad made it into the post-season playoffs every year Steelman played, including playing for the MHSAA Class 3A South State title his sophomore and senior years. A torn ligament in his shoulder ended his playing career after high school.

Steelman, a lifelong resident of Purvis, is a general studies major at Pearl River and says his long-range goals are to coach high school baseball and teach either science or history. He is attending PRCC on an ACT and baseball scholarship.

Steelman will be working with outfielders.

ANDY HARPER
■ Student Assistant Coach

ANDY HARPER, A SENIOR AT the University of Southern Mississippi, is well-versed in Pearl River baseball, as he pitched for the Wildcats in 2002 and 2003 under then-head coach Jay Artigues.

After transferring to USM, he opted to leave school to enter the business world, serving as inventory manager for five years at Barry Harper Dodge (now defunct), which was owned and operated by his father in Poplarville before returning to college in the summer of 2009.

Harper will graduate from Southern Miss this summer with a bachelor's degree in coaching sports education and will immediately enter graduate school to pursue a master's degree.

A 2001 graduate of Picayune High School, he was a standout pitcher-third baseman for the Maroon Tide under former head coach Kent Kirkland. Harper's senior season saw the Tide squad win the MHSAA South State Class 4A title only to be defeated by Pearl in the state title bout.

At Pearl River, Harper was a member of the 2002 Region 23 and Super Regional championship team, which earned a berth in the NJCAA Division II World Series played in Millington, Tenn. The Wildcats finished fifth in the event.

Harper and his wife Candace, who is alumni coordinator for the PRCC Alumni Foundation, are the parents of a two-year-old son, Parker Lee.

■ Lady Wildcat coach

Leigh White

A native of Quitman, White graduated from Quitman High School in 1995 where she was a standout softball, basketball, and tennis player.

After graduation, White headed to nearby Jones County Junior College where she played third base for the Lady Bobcat softball team, which copped MACJC State championships in 1996 and 1997, including a Region 23 title in 1996 and a trip to the NJCAA National Tournament played in Tifton, Ga. White earned All-State honors while at JCJC.

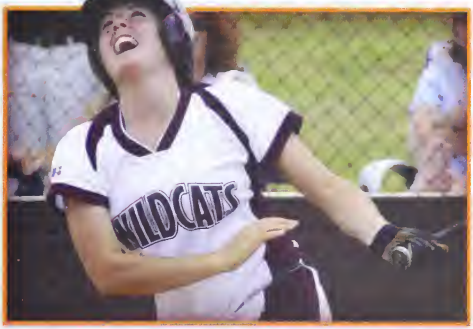
HEAD COACH LEIGH WHITE

After graduating from Jones, White headed to Southern Wesleyian University in Central, S.C., where she spent three years, including a redshirt season in 1998. SWU won the Southern States Athletic Conference championship her junior year and went on to finish third in the NCAA Regional Tournament.

After earning her bachelor of science degree in physical education and theraputic recreation, White wound up in Perkinston where she served as a graduate assistant softball coach at Mississippi Gulf Coast Community College in 2000. The Lady Bulldogs won MACJC and Region 23 championships that year, earning a berth in the NJCAA National Tournament played in Phoenix, Ariz. MGCCC finished fifth in the national event.

White moved on to serve as an assistant coach at Pearl River under former head coach Laurie Neelis for two years — 2001 and 2002 — before succeeding her as head coach the 2003 season.

White guided PRCC to a MACJC-Region 23 Tournament berth her second year as head coach where the Lady Wildcats wound up finishing fourth in the annual event which was played at Northeast Mississippi Community College in Booneville. In 2009, her squad finished third in the MACJC State Tournament played at NEMCC and captured the runner-up spot to champion Mississippi Gulf Coast in the Region 23 event played in Clinton.



WILDCAT SOFTBALL

James 'huge asset' to program

Last year, James replaced former PRCC All-American Megan Dawson, who served in the capacity for two seasons.

James played for the Lady Wildcats the 2004 and 2005 seasons, earning All-MACJC and All-Region 23 honors as a freshman and a sophomore.

She then signed on for a two-year softball stint with the William Carey University Lady Crusaders where she earned her bachelor of science degree in May, 2007. James went on to earn her master's degree in Sport Management at the University of Southern Mississippi in July 2007.

In her sophomore season with the Lady Wildcats, James led the team with an impressive .515 batting average, while also smashing a team-high eight home runs.

She followed suit for head coach Wendy Hogue at WCU where she earned All-Gulf Coast Athletic Conference honors in 2006 and 2007, as well as being named and NAIA Academic All-American both years.

"Maghan is a huge asset to our team and she proved that last year," said White. "She was a great collegiate player with a tremendous work ethic and that has spilled over into her professional aspirations. Maghan was a natural leader when she played here and at William Carey and has a tremendous working relationship with our players."

HONOR'S INSTITUTE

Honor's Institute

The Honors Institute was opened in Fall 2011 to give top students an opportunity to study with their peers in honors courses.

The Institute opened at both the Poplarville Campus and the Forrest County Center in Hattiesburg.

"Students in the Honors Institute will be in the company of other scholars who will provide intellectual stimulation," said Dr. John Grant, then PRCC vice president for instruction. " The instructors who are teaching these classes have been charged with inspiring these students to greater scholarly effort."

"Honors sections include the same material covered in regular sections of a course but in greater depth with more opportunity for students to pursue individual interests," said Dr. Becky Askew, PRCC chief planning officer and chair of the Honors Institute steering committee. "The Honors Institute brings together award-winning faculty and highly motivated students."

The students in the Honors Institute have a minimum composite ACT score of 25 and a minimum grade point average of 3.4. The students receive an Honors Institute Scholarship.

To earn the designation of Honors Institute Graduate, students complete at least 25 hours of Honors coursework with a cumulative 3.4 GPA and a Capstone project. To earn an Honors Certificate, students must complete 15 hours of Honors courses with a 3.4 GPA.
